Notes for all members

The ethos of our club is that no-one is left behind on club runs. If someone in the group is struggling you are asked to muster from the front to the back but we except that sometimes you require a longer recovery as well.

Your group leader is a volunteer who has agreed to set the pace and distance for the run and requires your support to ensure the safety of the group.

Remember to think about safety, not just when crossing roads but also when running over uneven land, in dusk or in the dark conditions. Wearing fluorescent/high visibility clothing is recommended.
