Type of Membership

Two grades of membership are available.

Standard membership: Includes individual affiliation to England Athletics and is £30 per year. This entitles you to many benefits including reduced race entry fees and discounts from many sports shops. Note that England Athletics have a limited open period per year therefore this membership option is only available if joining the club between 1st April and 31st May.

Standard membership £30

This option is only available between 1st April and 31st July.

When you become a member of or renew your membership with Ledbury & District Harriers you can also choose to be registered as a member of England Athletics (you will have to register with England Athletics if you ever compete for the club). If you tick the box below we will provide England Athletics with your personal data which they will use to enable access to an online portal for you (called myAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org. If you do not tick the box below and then decide to compete for the club, we will need to register you with England Athletics and we will inform you at that time.

Please tick to confirm you agree

Non-affiliated membership: If you do not require affiliation or are already affiliated to EA through membership of another club, £15 per year.

Notes for all members

The ethos of our club is that no-one is left behind on club runs. If someone in the group is struggling you are asked to muster from the front to the back but we except that sometimes you require a longer recovery as well.

Your group leader is a volunteer who has agreed to set the pace and distance for the run and requires your support to ensure the safety of the group

Remember to think about safety, not just when crossing roads but also when running over uneven land, in dusk or in the dark conditions. Wearing fluorescent/high visibility clothing is recommended.

Terms and Conditions

By signing and returning this form, I understand and accept that:

- I am declaring that I am an amateur as defined by the eligibility rule of England Athletics.
- I am fit and able, and take part in the Club's activities entirely at my own risk and that I will be responsible for my own safety whilst out running with the Club or when I take part in events as a Club member.

I accept the terms and conditions

I would like a printed ICE (In Case of Emergency) tag. If you choose this option then you agree to your emergency contact details being passed to a responsible third party.
